FOURSIX46 GLOBAL LTD

SAFETY & OPERATIONAL RULES POLICY

Version 1.0 — Last Updated: 25/11/2025
Owner: *Dinesh Koyyalamudi, Founder & Director*

1. PURPOSE OF THIS POLICY

The purpose of this Safety & Operational Rules Policy is to:

- Protect the safety of drivers, customers, and the public
- Ensure full compliance with **RHA Conditions of Carriage 2024**
- Reduce operational risk to FourSix46 Global Ltd
- Ensure all drivers and shippers know their responsibilities
- Provide clear rules for safe handling, loading, transport, and delivery of goods
- Support insurance validity and legal compliance
- Ensure high-quality service standards across all operations

This policy applies to:

- Self-employed drivers (subcontractors)
- Shippers (B2B customers)
- Operations staff
- Anyone handling, transporting, or processing goods on behalf of FourSix46

2. LEGAL & REGULATORY FRAMEWORK

FourSix46 Global Ltd operates under:

📌 **RHA Conditions of Carriage 2024 (MANDATORY)**
📌 Health & Safety at Work Act 1974
📌 Road Traffic Act 1988
📌 Highway Code (latest edition)

📌 DVSA load security guidance
📌 HSE “Driving for Work” Code
📌 UK GDPR & Data Protection Act 2018
📌 Insurance Requirements (GIT + PL)

Nothing in this policy overrides legal obligations or RHA rules.

3. GENERAL SAFETY PRINCIPLES

All personnel must:

- Prioritise safety over speed
- Never take risks to meet deadlines
- Report unsafe conditions immediately
- Follow all training and instructions
- Treat customers and goods with respect
- Escalate problems rather than improvising dangerously

Safety is everyone’s responsibility.

4. DRIVER SAFETY RULES (MANDATORY)

This section applies to ALL drivers performing work for FourSix46 Couriers.

4.1 Fitness to Drive

Drivers must:

- Be medically fit
- Never drive under the influence of alcohol/drugs
- Not take impairing medication before driving
- Be well rested (minimum 6 hours sleep recommended)
- Not drive when fatigued
- Report any illnesses that affect driving

4.2 Driver Conduct

Drivers must:

- Behave professionally
- Wear appropriate clothing and PPE (if required)
- Communicate politely with customers
- Follow instructions provided in the job notes
- Avoid confrontation or arguments with recipients

4.3 Driving Standards

Drivers must:

- Follow speed limits (including van-specific limits)
- Maintain safe distance
- Not use handheld devices while driving
- Not eat or drink while driving
- Follow all road traffic laws
- Drive defensively, anticipating hazards

4.4 Distraction Rules

STRICT **zero-tolerance**:

🚫 No handheld phone use
🚫 No texting or emailing
🚫 No adjusting navigation while moving
🚫 No calling customers while driving
🚫 No watching videos

Pull over safely, engine off, before interacting with your device.

4.5 Seatbelts

Seatbelts MUST be worn at all times except with medical exemption.

4.6 Fatigue Management

- Max continuous driving: **2 hours**
- Break requirement: **15 minutes minimum**

- Additional breaks in extreme weather

5. VEHICLE SAFETY RULES

5.1 Roadworthiness

Drivers must ensure their vehicle is:

- MOT-valid
- Taxed
- Insured for **Business/Courier Use**
- Mechanically sound
- Clean and safe

5.2 Daily Vehicle Checks (POWDER)

Before each shift, drivers must confirm:

- **P**etrol / Fuel
- **O**il
- **W**ater
- **D**amage
- **E**lectrics
- **R**ubber (tyres)

Any defects must be reported immediately.

5.3 Load Security

RHA/DVSA rules require ALL loads to be:

- Secured
- Strapped when needed
- Protected from movement
- Balanced (weight distribution)

Unsafe loads must NOT be transported.

5.4 Vehicle Cleanliness

Vehicles must be:

- Clean internally
- Free from loose tools or rubbish
- Organised and odour-free

6. LOADING & UNLOADING SAFETY

Shippers and drivers share responsibility for:

6.1 Safe Loading

Loads must be:

- Within vehicle weight limits
- Properly packaged
- Stable and secure
- Labelled clearly

Drivers may refuse goods if:

- Packaging is unsafe
- Items are illegal or prohibited
- Weight exceeds safe limits
- Load poses a risk
- Dangerous goods are undeclared

6.2 Prohibited Items

Under RHA and company rules, FourSix46 cannot accept:

- Cash
- High-value jewellery
- Animals
- Illegal goods
- Hazardous/flammable materials
- Fragile glass without protection

- Controlled substances
- Weapons or ammunition

If shipped without disclosure:

⚠️ Shipper assumes full liability
⚠️ Goods may be refused or destroyed
⚠️ Insurance becomes void

7. JOURNEY MANAGEMENT

Drivers MUST:

- Follow the planned route
- Use good navigation judgement
- Avoid unsafe roads when possible
- Not deviate without reason
- Update support team if delayed
- Check weather conditions before long journeys

7.1 Adverse Weather

During snow, flooding, storms, etc.:

- Reduce speed
- Increase stopping distance
- Take alternate routes
- Delay travel if unsafe

7.2 Restricted Zones

Drivers must check:

- Weight limits
- Low bridges
- School zones
- Construction areas

8. DELIVERY RULES

8.1 Delivery Attempts

One attempt is included unless stated otherwise.
Redelivery fees apply.

8.2 Safe Place Deliveries

Only allowed with customer instruction.
All risk passes to the customer.

8.3 Signature / POD Requirements

Drivers must:

- Capture signature OR
- Take a clear photo proof
- Record name of receiver

8.4 Failed Delivery

A delivery is considered failed if:

- Recipient unavailable
- Unsafe location
- Incorrect address
- Access restricted

Additional charges apply.

9. INCIDENT MANAGEMENT

9.1 Collisions / Accidents

Drivers must:

1. STOP immediately
2. Move vehicle to safe area
3. Call emergency services if needed

4. Collect details & take photos
5. Notify FourSix46 within **30 minutes**
6. Submit full written incident report

Never admit fault at the scene.

9.2 Goods Damage / Claims

Follow RHA rules:

- Report damage within **7 days**
- Compensation limited to:
  👉 **£1,300 per tonne (~£1.30/kg)**
- No compensation for:
  - Poor packaging
  - Prohibited items
  - Late delivery losses
  - Safe-place losses

9.3 Breakdowns

Drivers must:

- Move off the road
- Activate hazard lights
- Call breakdown service
- Notify FourSix46

10. SHIPPER OPERATIONAL RULES

Shippers must:

- Provide correct parcel details
- Use proper packaging
- Follow prohibited items list
- Provide access at pickup & delivery

- Declare fragile or heavy items
- Ensure staff act safely during loading

FourSix46 may refuse goods that:

- Are unsafe
- Are illegal
- Are leaking
- Are poorly packaged

11. DATA SAFETY & CONFIDENTIALITY

- Customer information must never be shared
- Drivers must not photograph documents containing sensitive data
- Shippers must protect customer delivery data
- FourSix46 complies with UK GDPR

12. DISCIPLINARY ACTION / BREACHES

Breaches may result in:

- Warning
- Temporary suspension
- Termination of driver agreement
- Suspension of shipper account
- Reporting to authorities
- Insurance refusal
- Permanent removal from network

Serious breaches include:

- Drinking / drugs while driving
- Reckless driving
- Theft or tampering with goods

- Abuse of customers
- Violating RHA safety rules
- Repeated poor packaging (shippers)

13. POLICY REVIEW

This policy will be reviewed annually or earlier if required by:

- RHA updates
- Legal changes
- Audit findings
- Operational developments
