Last Updated: 25/11/25

Owner: **Dinesh Koyyalamudi, Founder & Director**

This Shipper Policy outlines the operational rules, responsibilities, and compliance requirements for all businesses ("Shippers", "Customers") using the services of **FourSix46 Global Ltd**, trading as **FourSix46 Couriers** ("the Company").

This Policy does **not** replace the Shipper Agreement.
All carriage is undertaken **strictly under the RHA Conditions of Carriage 2024**, which override any conflicting term in this Policy.

1. Purpose of This Policy

The purpose of this policy is to ensure:

- Safe and compliant handling of goods
- Clear communication between shipper and carrier
- Protection of all parties during transportation
- Consistent operational standards

All Shippers must comply with this Policy and the RHA Conditions of Carriage 2024.

2. Shipper Responsibilities

Shippers must:

✔ Provide Accurate Information

Including:

- Full pickup and delivery addresses
- Contact names and phone numbers
- Accurate weights, dimensions, and description of contents

Incorrect information may delay collection or delivery.

✔ Use Proper Packaging

Goods must be:

- Securely packaged
- Suitable for transport
- Clearly labelled
- Protected against damage

Under RHA Conditions, **insufficient packaging voids liability**.

✔ Declare Special Requirements

Such as:

- Fragile goods
- High-value items
- Temperature sensitivity
- Heavy/bulky goods
- Restricted access sites

Failure to disclose may result in refusal of carriage.

3. Prohibited Goods

- May result in reporting to authorities

4. Collection Requirements

Shippers must ensure:

- A responsible person is available
- Packages are properly labelled
- Access and loading areas are safe

Failed Collection occurs if:

Redelivery or return-to-sender fees may apply.

6. Delivery Times & Delays

Same-Day Service

Under RHA rules, same-day delivery is **not guaranteed** unless expressly agreed in writing as a **special contract**.

Times are estimates and **not guaranteed**.

FourSix46 is not liable for delays caused by:

- Traffic
- Weather conditions
- Road closures
- Accidents
- Unavailable recipients
- Incorrect addresses
- High-demand periods
- Third-party issues

This follows RHA's exclusion of consequential loss and delay liability.

7. Rates, Charges & Billing

as set out in the RHA Conditions of Carriage 2024.

This replaces the old "£15 per kg up to £1,000" rule, which was **not RHA compliant**.
